

For general use

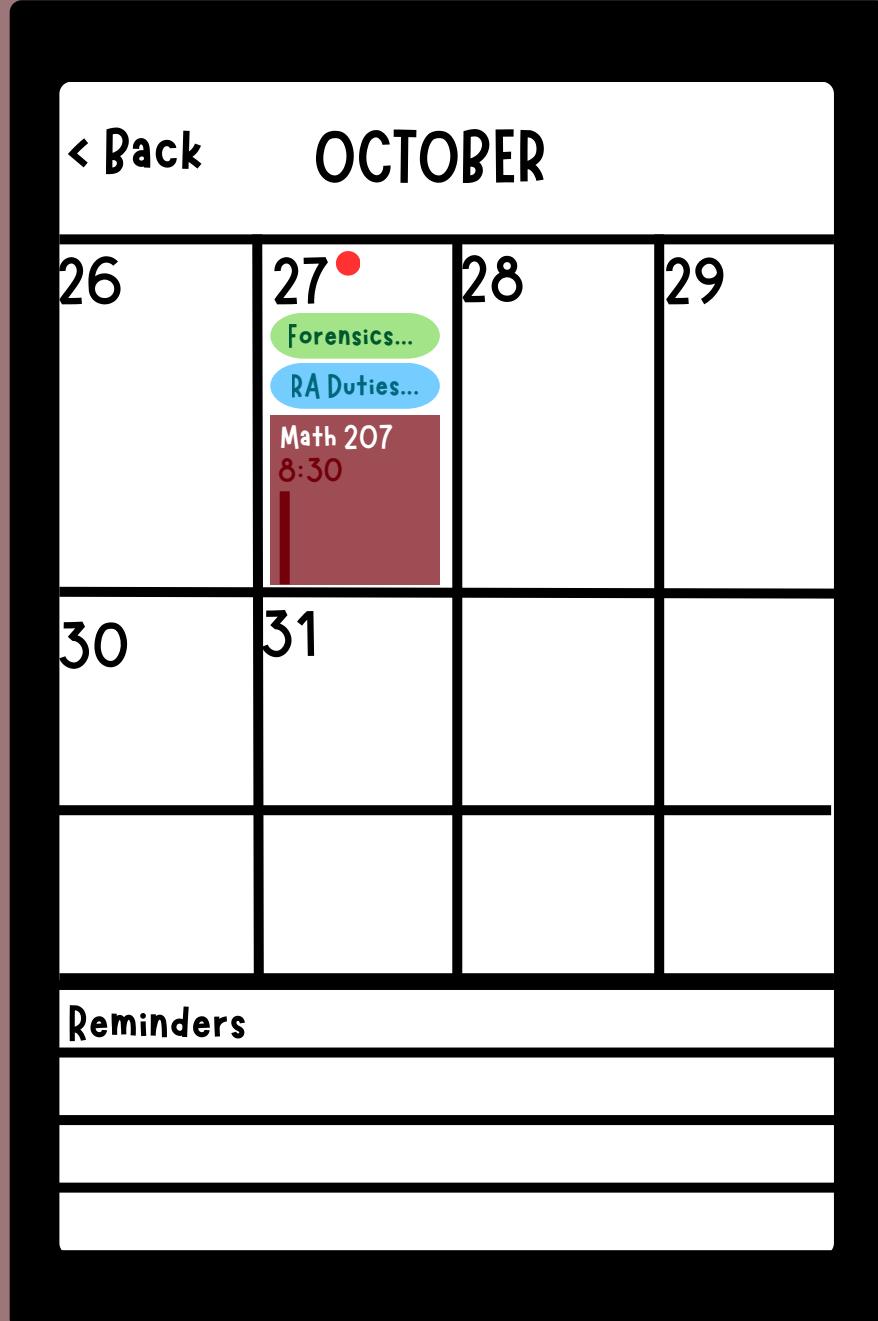

The image displays five screens of a mobile application designed for general use, arranged on a yellow background.

- Home Screen:** Shows a "Good Morning!" greeting at the top. Below it is a "Scheduled Reminders" section with three items: "Work @ 3:00" (10/27/25), "Lunch w/ Kelce" (11/5/25), and "Call Mom" (10/27/25). A circular progress bar indicates "Running Daily" at 68%. At the bottom are three icons: a person, a plus sign, and a gear. Annotations include "Greeting for time of day" with a curved arrow pointing to the top, "Daily reminders" with a curved arrow pointing to the list, and "Simple menu" with a curved arrow pointing to the bottom icons.
- Add Screen:** Displays the message "What would you like to add?". It includes three buttons: "Add a new scheduled reminder", "Add a new reminder", and "Add a new goal or habit". At the bottom are three icons: a person, a plus sign, and a gear. An annotation "Interacting with the add button" with a curved arrow points to the plus sign icon.
- Profile Screen:** Shows a user profile with a placeholder "Your Name" and a back arrow. It features sections for "Achievements - 5/34" (with a trophy icon and a 100% completion circle), "Goal Rings - 3" (with three progress rings at 68%, 50%, and 100%), and "Habit Tracker >" and "Reminders >". An annotation "General user profile screen" with a curved arrow points to the profile area.
- Calendar Screen:** Shows a monthly calendar for October. The 27th is highlighted with a red dot and a green oval containing "Call Mom". The 27th also has a blue oval containing "Work @ 3:00". At the bottom is a "Reminders" section with four empty lines. An annotation "Calender section mock-up" with a curved arrow points to the calendar grid.
- App Icon:** A purple rounded square icon featuring a black outline of a smiling face with two eyes and a wide, curved smile. An annotation "App icon mock up" with a curved arrow points to the icon itself.

For USC Students

adds a feature to track classes

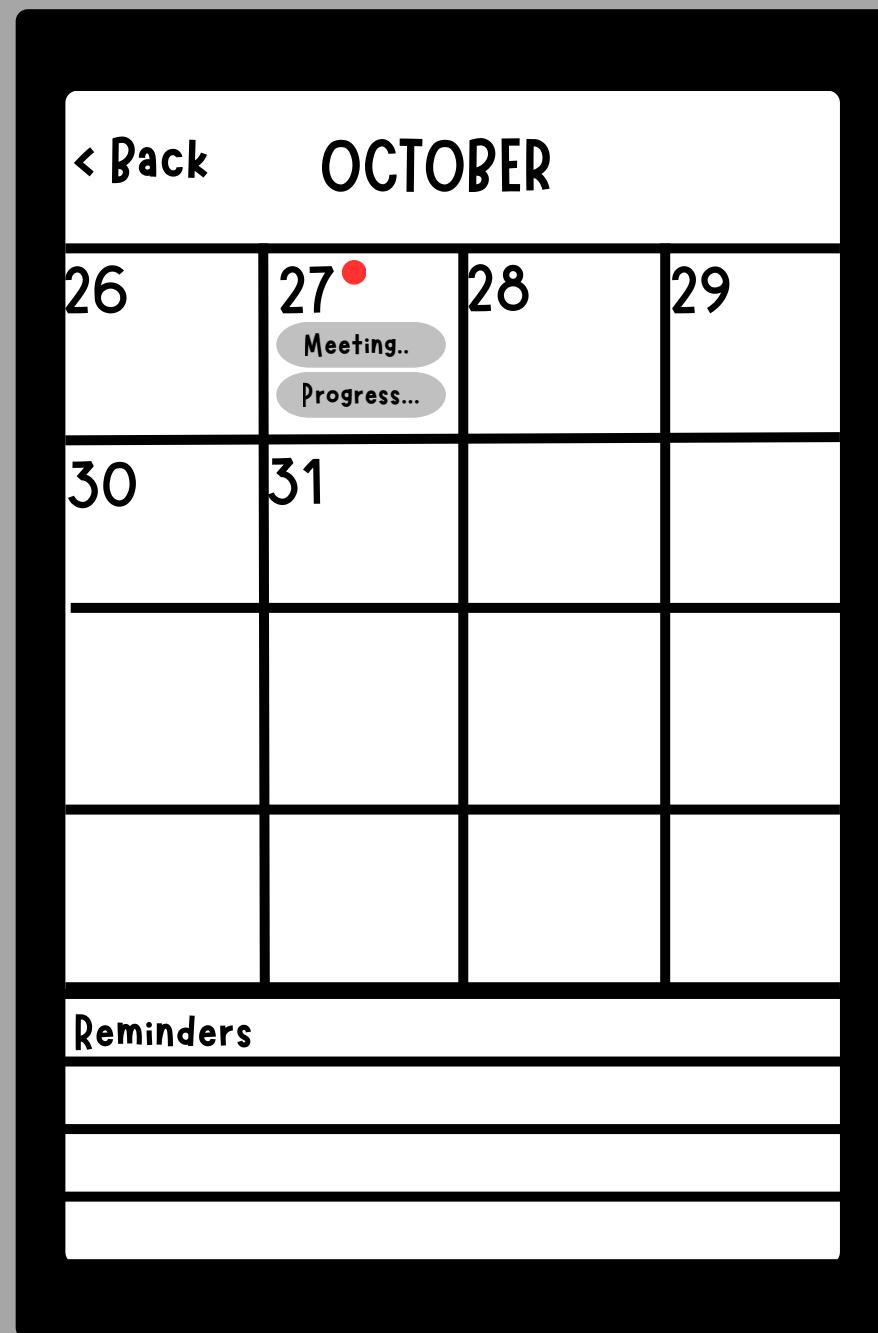

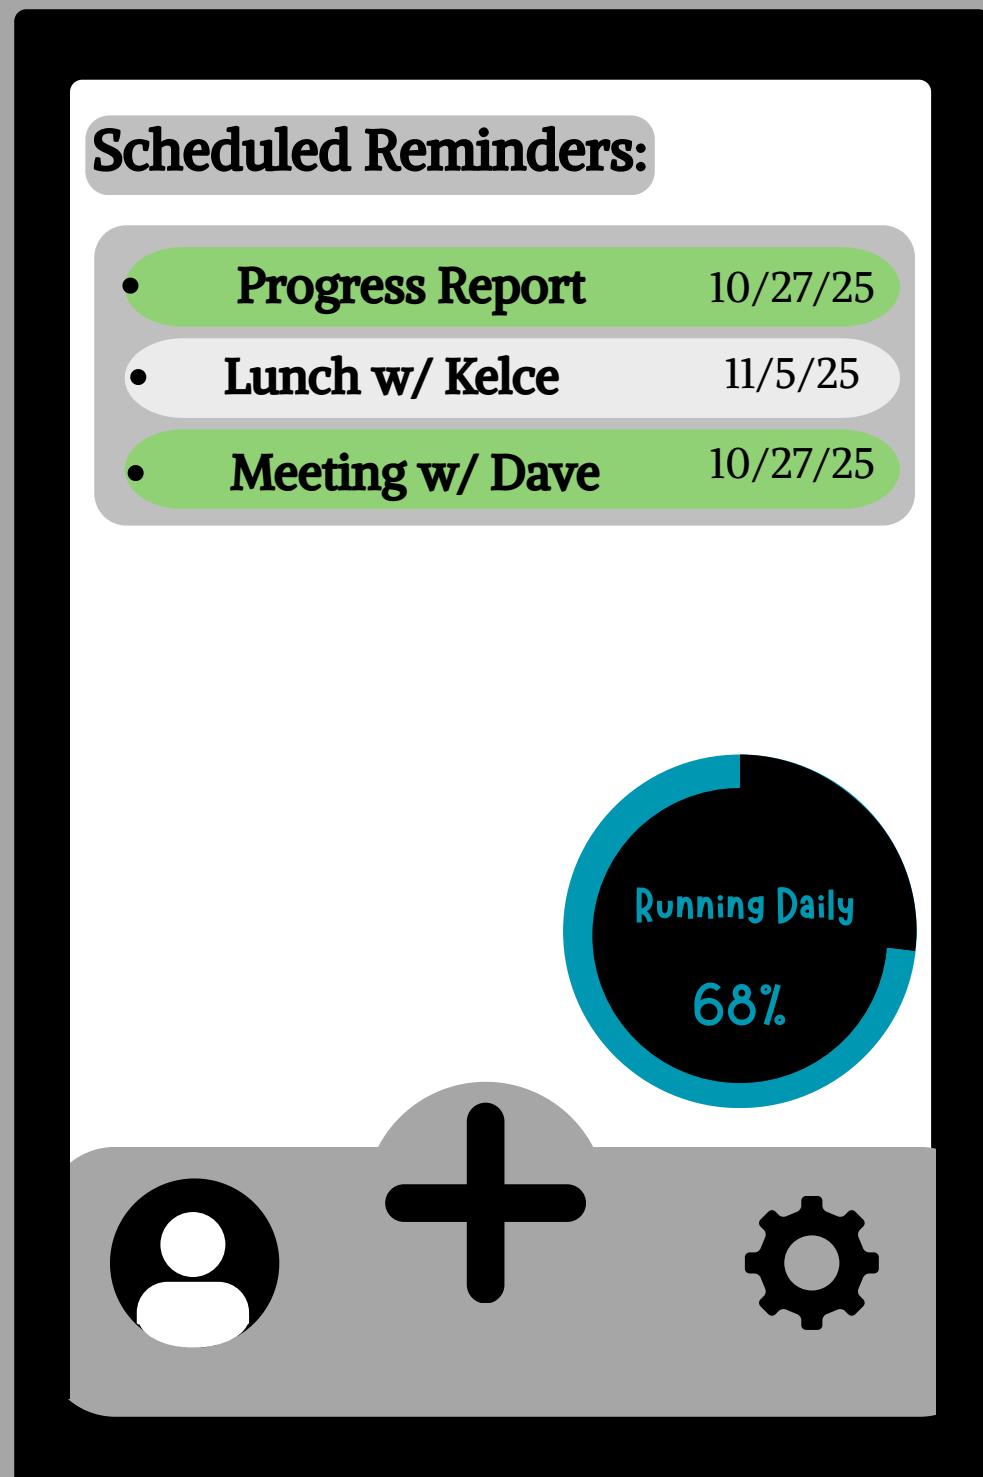

Classes change the layout of the calendar to include how long they are
