BASIC FEATURES	HURDLES	PRODUCT IDEAS	USER FEEDBACK	CONTANTS
Task Organizer	Coding	App	Survey students for how they try to manage their organization	Easy to Use
Habit Tracker	Marketing (Ads? Word of mouth?)	Website	Try to figure out what the average student could use in an organizer/tracker	Some kind of motivator (Leveling? Stickers? User-set prize?)
Reminder System	Making sure its useful and not tedious to use	Daily planner?	Feature to get user feedback	Customizable for needs (can use daily, weekly, etc. Can track assignments, mark time off for cleaning, etc.)
Scheduling System	Might be overly ambitious			Can be multi-use (just for hw, just for setting time for cleaning or studying, etc.)
Goal System	Has to meet the goal of helping students with cleaning/staying organized
